DIY STYLE

Wallpaper Your Day

The design staple can completely transform the look of your home—and, as it turns out, your wedding.

VOW WOW A trio of coordinating patterns creates a personalized spot to say "I do." To make the **valance**, affix wallpaper to foam board with spray adhesive. The **aisle runner**? Double-stick-tape a roll to the floor. And for each **chair cover**, drape a strip over the back, punch two holes in each end, and tie on a ribbon.
