We love the bridesmaid dresses at 57Grand, but we love their sampling program even more. If you aren't within driving distance of their NYC showroom, they will send you any dress in your size to evaluate your choice in person for a mere \$15 service fee. Talk about making life a whole lot less stressful! Here's one of our favorite dresses, photo courtesy of 57Grand.

I love these dresses. And they're made in New York, which is somehow so nice when all you hear is jobs going away!
