As another week comes to a close, we like to take a moment to reflect on all the beautiful inspiration, celebrations, and couples we've seen this week. Plus it's our chance to take a break from the cold Boston winter to do a little (more) wedding daydreaming. Seriously, we're having one of those days here that makes it hard to believe there are Friday evenings in the summer that might actually look like this...

Oh-sweet little dresses, jeweled tones and bare shoulder, how I miss thee. Even if this particular scene is a few months off for some of us... it's probably prime-planning time for lots of you couples out there. So we're here to remind you that we have lots of gorgeous gowns in the [Fashion Look Book](#) to get those wheels turning. We've added some adorable new frocks by [57Grand](#) to the line up and we are 100% smitten. And yes, browsing bridesmaid dresses helps take your mind off the temperature. Seriously, that's a proven fact. [57Grand's](#) designs are wearable, stylish, and sure to make you smile... we're talking dresses so charming, they might even beat those winter blues.
